

## Berashith Ministry Blueprint

We are standing at the beginning of yet another amazing year filled with promises of healing, spiritual growth, deliverance and many revelations. God has been faithful to His promise of sanctification and purification and, gladly, we are not the same people we were at the beginning of 2024!

From the beginning, it was on Adonai's agenda to call and prepare Berashith for an international ministry. Let's face it, we are all in a bad condition and Africa is a wreck. The Kingdom of God should not tolerate the disgrace in this world any longer (Nehemiah 2:17 MSG). Adonai is putting the pieces of the puzzle together to restore the poor condition of the nations. The primary assignment is to lay down a solid foundation so the broken-hearted can be healed and the captives set free.

*The Spirit of the Lord is upon me, and he has anointed me to be hope for the poor, freedom for the brokenhearted, and new eyes for the blind, and to preach to prisoners, 'You are set free!' I have come to share **the message of Jubilee**, for the time of God's great acceptance has begun.* Luke 4:18-19 TPT

The prophetic vision for Berashith has been confirmed and our tent pegs are now being enlarged by our moving into various countries to raise healing centres:

- For the sick, broken, addicted and demon-possessed.
- For healing and divine restoration.
- Where true spiritual fathers and mothers will impart identity to the next generation and release the spirit of adoption over spiritual orphans.
- Where people will be trained, equipped, ignited and sent into their God-given destiny and calling.
- Where the rejected and isolated can find a genuine family without hidden agendas.
- Where the Body of Christ can have fellowship (Hebrew – Achavah) and serve each other, as Christ also came to serve.

The African Continent is hungry for the Truth and eager to hear and see what God has on His agenda. Our heart's desire is to deliver the Good News of the Gospel of Jesus Christ to the broken and lost, but also to deliver the message of pending judgment for those who do not repent of their godless ways and turn to the only Saviour and Deliverer. Malachi 4 points us to the future "great day of the Lord" (a day of judgment), but also warns that if we do not follow His commandments, instructions, statutes and

judgments and return our hearts to one another, Adonai might come and strike the earth with utter destruction.

In time, false prophets and shepherds will have to either repent and turn their hearts to God or be removed and replaced by faithful leaders who will protect the flock and lead them to maturity and victory. The hearts of the fathers will return to their children and vice versa so that Malachi 4:6 will come into fulfilment. This implies that the hearts of husbands and wives, spiritual brothers and sisters, shepherds and sheep, will be restored and reunited so that the Bride of Christ will be healed, whole and holy for His soon return.

We long for the day the Prince of Peace shall appear, and we can hasten that day by delivering the captives from their prisons, claiming them from the hand of the enemy and returning territory to the Kingdom of God.

God has already partnered with us and now He desires that we would partner with each other to bring Him glory (Romans 15:7). We invite you to partner with us to restore the poor condition of the nations on the African Continent. Let us ask God for the nations, for they are our inheritance.

*Ask me, and I will give you the nations as your inheritance, the ends of the earth as your personal property. Psalms 2:8 NET*
