### Repentance & Decrees

I give up the titles and mantles and I resign from my duties in the Office of Intendant of the Buildings in Jesus' name.

- I repent for my works in striving for perfection and my pride and arrogance at attaining a false perfection.
- I declare that my good works are as filthy rags to You and that Your Blood alone has made me righteous.
- I repent for preserving and passing these false doctrines and knowledge to my future generations. I have taught them to sin against You and I've kept them trapped in this web of deceit; forgive me Father.
- I forgive all those in my past who died me to the curses of this degree by their involvement and covenants.
- I repent for using the principals of inherent love, charity, morality and kindness belonging to a false god.
- I repent for having the mindset that nobles don't need to work because they are above work. Father transform my mind and give me Your thought patterns in Jesus' name.
- I renounce the false god of knowledge.
- I give up the password: Akar Jai Jab.
- I give up the 5 points of fellowship used in this degree.
- I repent for serving Osiris, wearing his jewellery, being branded by him, for every ritual that I have done, for every place that I have bowed my knee. Father, I ask You to send Your Holy Fire and burn up the covenants I have with every false god in the mighty name of Jesus.
- I repent for my lack of knowledge or discernment, and for searching for it in this order and not inquiring of You; please forgive me, Father.
- I break every curse that is associated with taking these oaths. I cancel the curse of having my eyes out, my body cut in two and my intestines exposed.

- Father I covenant my eyes to you-both spiritually and physically. I covenant my body for your service. Bring me into correct alignment in Jesus' name.
- I hand back all the regalia I received in this initiation: the square of nine, the candlestick with 7 branches, the fiery red cloth, the scales, the apron and the jewels.
- I repent for invoking of the name of Osiris.
- I repent for giving legal right for the building of false structures, according to demonic patterns. Now, the Name of Jesus, whatever structures have been erected in my life by the 5 strongmen representing 5 departments of architecture, BURN with the fire of God. I fire you from your position as superintendent in my bloodlines, and I remove your authority of guardianship: Adoniram, Joabert Stolkin, Selec, and Gareb. I hand you eviction orders from the Courts of Heaven and command you move out of my territory - with all your baggage. I want no inheritance from you and I demand that y let my bloodline go, in Jesus' Name. I call for the angelic to pull down, smash, uproot and destroy every false structure in my life that has been based on the deception of Freemasonry, in Jesus' name.
- I repent for my prayers to a false god, asking for my steps to be led to the sacred way and calling those paths righteous. Those paths lead me to death and I don't want any part of it. Father pick me up a put me on the narrow path that leads to life. Smash the old highways and paths so that I and my future generations can never find them again.
- I give back and renounce the power over my life of: the square of nine, the false candlestick with 7 branches; the fiery red cloth; the scales; the apron and the jewel depicting the letters of a deity, the grip the 5 points of Felicity. Remove all symbols and branding associated with this degree from my memory. Disconnect me from all triggers that I respond to when seeing the emblems, symbols, hearing passwords, and the grip by the Blood of Jesus.

**Ephesians 2:4-6**

<sup>4</sup> But God, who is rich in mercy, for His great love with which He loved us  
<sup>5</sup> (even when we were dead in sins) has made us alive together with Christ (by  
grace you are saved), <sup>6</sup> and has raised us up together and made us sit  
together in the heavenlies in Christ Jesus”.
